

Quality

With decades of experience, our dedicated staff uses the best of the best plant varieties, and the most modern, sustainable and environmentally conscious methods to provide high impact color for the discerning landscape professional. The Plant Nursery utilizes the most stringent quality control measures and draws upon the knowledge and experience of top, nationally known experts to ensure our customers receive the very best plants available.

As a wholesale only provider of plant materials, we offer competitive pricing and exceptional customer service. We welcome the opportunity to custom grow for your unique year round landscape programs. We are the supplier of choice for municipalities, golf courses, country clubs, hotels, landscape contractors, property management companies and upscale retail nurseries.

Impact

When buying plants from the HabCenter, you are making an impact. You are receiving a superior product and you are helping to support adults with disabilities by enriching their lives and providing a sense of joy and community.

The HabCenter

Established in 1978, the HabCenter is a private, not-for-profit organization founded to serve the needs of adults with disabilities. The Plant Nursery, located on our 12 acre campus, provides high-level vocational training and development, comprehensive support services and life skills development, crucial to overcoming extraordinary barriers to employment. With behavioral health counseling, educational programming and recreation, we equip adults with disabilities with the knowledge, skills and behavior needed to lead useful and productive lives with dignity, respect and independence.
