

Quality

With decades of experience, our dedicated staff uses the best of the best plant varieties, and the most modern, sustainable and environmentally conscious methods to provide high impact color for the discerning landscape professional. The Plant Nursery utilizes the most stringent quality control measures and draws upon the knowledge and experience of top, nationally known experts to ensure our customers receive the very best plants available.

We offer competitive pricing and exceptional customer service. We welcome the opportunity to custom grow for your unique year-round landscape programs. We are the supplier of choice for municipalities, golf courses, country clubs, hotels, landscape contractors, property management companies, and upscale retail nurseries.

Impact

Purchasing plants and honey from HabCenter's HabBloom Plant Nursery makes a meaningful impact. Not only do you receive top-quality plants, but you also support adults with disabilities by enriching their lives and fostering a sense of joy and community.

HabBloom Plant Nursery

HabBloom Plant Nursery is one of the largest bedding plant nurseries serving our population with developmental differences and mental health challenges, in Palm Beach County. Our commitment to excellence is demonstrated in the high-quality plant materials used in our crops. Our facility produces nearly 1 million annuals and perennials each year for an ever expanding list of satisfied customers.

Our modern, state-of-the-art enterprise produces nearly 1 million annuals and perennials each year for an ever expanding list of satisfied commercial customers.

HabCenter Boca

Founded in 1978, the HabCenter is a private, nonprofit organization dedicated to serving adults with disabilities. Our Plant Nursery, situated on a 12-acre campus, offers exceptional vocational training, comprehensive support services, and essential life skills development to help overcome significant employment barriers. Through behavioral health counseling, educational programs, and recreational activities, we empower adults with disabilities with the knowledge, skills, and behaviors needed to lead fulfilling and independent lives with dignity and respect.
