

# The Professional Choice for Commercial Landscapes

We understand the demands of high-visibility properties. HabBloom is the supplier of choice for municipalities, golf courses, country clubs, hotels, and landscape contractors.

- **Commercial Pricing & Contract Growing:** We offer competitive wholesale pricing and welcome the opportunity to custom-grow for your unique year-round landscape needs.
- **Expert Horticultural Oversight:** Our crops are managed by expert horticulturalist and a dedicated staff using sustainable, environmentally conscious methods.
- **Landscape Design Services:** Beyond supplying plants, we offer professional design services to help you achieve maximum impact for any project.
- **Foundation for Growth:** We use and sell our own Custom Blend Soil Mix. This pH-balanced, nutrient-rich blend (featuring a 5-6 month slow-release fertilizer) ensures the long-term health and integrity of every plant we grow.

# Cultivate a Greener Future Today

# HabBloom Plant Nursery

*Premium Plants. Professional Partnership. Purpose-Driven Growth.*

At HabBloom, we grow plants and abilities. Our 12-acre campus combines decades of horticultural experience with a powerful mission: empowering adults with developmental differences.

HabBloom Plant Nursery is one of the largest bedding plant nurseries serving our population with developmental differences and mental health challenges, in Palm Beach County. Our commitment to excellence is demonstrated in the high-quality plant materials used in our crops. Our facility produces nearly 1 million annuals and perennials each year for an ever expanding list of satisfied customers.

# HabCenter Boca

Founded in 1978, HabCenter is a private, nonprofit organization dedicated to serving adults with disabilities. Our Plant Nursery offers exceptional vocational training, comprehensive support services, and essential life skills development to help overcome significant employment barriers. Through behavioral health counseling, educational programs, and recreational activities, we empower adults with disabilities with the knowledge, skills, and behaviors needed to lead fulfilling and independent lives with dignity and respect.
